

**Benjamin Mertz, Skyline Community Church Music Director,
Available for Wedding Ceremonies and Other Events**

Benjamin has been a church music minister since age seventeen, and has been performing weddings and other special services for over twelve years. With a background in classical piano but an expertise in jazz, gospel, and popular styles, Benjamin enjoys working with couples to help create the exact musical setting for their wedding that they want. In consultation with the wishes of couples, he has performed everything from simple classical weddings to an all Beatles wedding, an all R&B wedding featuring the music of Stevie Wonder, and much more. Versatile, sensitive, and attentive as a vocalist and performer, his focus as a wedding musician is always to do his small part in making the couples' dreams come true.

Please contact him at bwmertz@gmail.com.
