

**Reverend Laurie Manning, Skyline Community Church Pastor,
Available for Wedding Ceremonies**

The Reverend Laurie J. Manning has been Skyline’s pastor since 2006. Laurie has been honored to preside at wedding ceremonies for many couples over her 20 years as an ordained minister. She considers it a great privilege to work with each couple to prepare them for marriage and to make their ceremonies heartfelt, warm, and memorable.

She is happy to help make your ceremony meaningful and personal, reflecting you both as individuals as well as a couple. Whether you prefer a traditional ceremony and vows, something interdenominational, or interfaith, or something more contemporary, she respects your wishes and personalizes the ceremony to suit you.

She brings with her a deep understanding of religious differences, including a capacity to bring Christianity in dialogue with other faith traditions, such as Buddhism, Judaism, Islam, and other faiths.

Laurie brings a solid understanding of the psychological and organizational complexities of living as a Christian in today’s pluralistic and scientific world. She holds respective Master’s degrees from Union Theological Seminary (Columbia University), Harvard University, and the University of Michigan, in theology, education, and business.
